

THE RICHMOND

EDUCATION AND EVENT CENTRE

FILMING AT THE RICHMOND

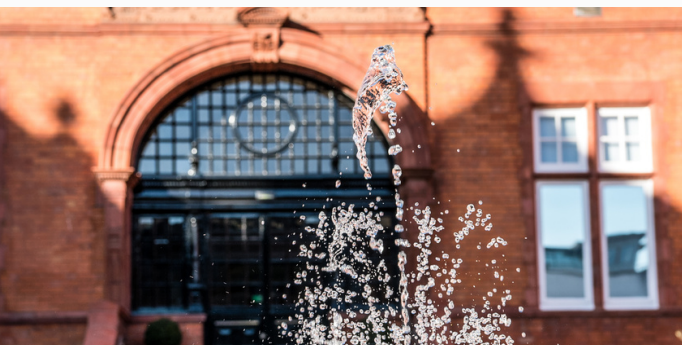

A UNIQUE LOCATION...

The building was opened in 1901, designed by Carroll and Bachelor and has unique architectural features including; marble pillars, a granite staircase, oak panelled entrance and external verandas. The Richmond Education and Event Centre was a former hospital and Court House which still retains prison cells within the Basement floor. The Richmond Education and Event Centre is a small conference and event centre. We offer a variety of meeting and event spaces including: an auditorium, banqueting room, conference rooms and education rooms. At the Richmond Education and Event Centre, the old and the new converge to create a combination of historical charm and modern luxury that is a perfect backdrop for a range of events and functions – from educational seminars and business meetings to corporate and private events.

RICHMOND HOSPITAL

CELLS

The Richmond Education and Event Centre was a former Courthouse and we have a holding cell that is available for rent. We have had a number of filming productions visiting us to use the cell, from TV series, feature films and TV advertisements.

The cell area has its own entrance, own bathroom, and can be self contained and private from other events happening in the building at the same time.

Car spaces available for reservations.

Rooms for costume/ make up available to rent closeby.

Area: 16.9 m²

AUDITORIUM

The Auditorium is a large rectangular room with tiered Italian leather grey seating for 123 people. It has a podium and screen. Filming companies interest in this for filming a lecture scene. It has original wooden floorboards and original sash windows.

Dimensions:

Length: 18.25 metres

Width: 7.56 metres

Area: 138 square metres

Capacity: 126 seats

BANQUETING ROOM

Dimensions:

Length: 18.25 metres

Width: 7.53 metres

Area: 137 square metres

This is our 'blank canvas room'. It has no fixed furniture so can be set up in a variety of styles, classroom, banqueting halls, cabaret, theatre style. It has original wooden floor board, original sash windows, and access to a veranda.

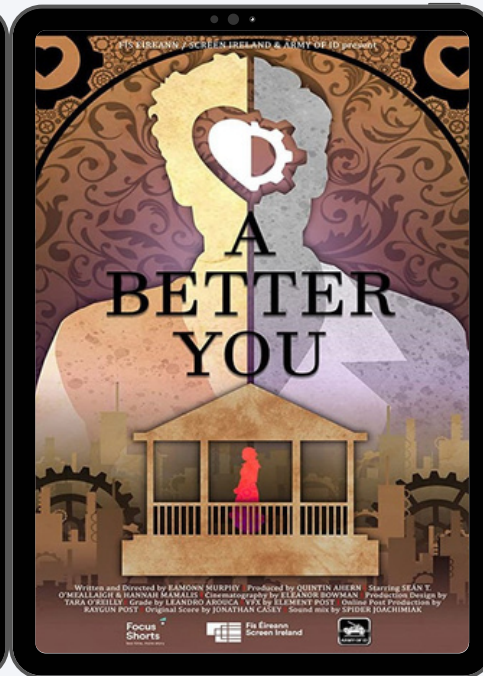

FOYER

The foyer has marble pillars, black and white checker tiled floor and a baby grand piano. It has a granite staircase to one side. It has been favoured by production companies filming a drinks reception or party scene. It has also been used for fashion shoots.

Who we've worked with...
